#### **Work-Based Training**

Immerse yourself in the world of Work Based Training (WBT), where the heart of learning beats within real workplaces. Our WBT program harmoniously combines the wisdom of Registered Training Organisation (RTO) guided online theoretical learning with the hands-on, employer-led practical training conducted at your workplace. Every student embarks on this journey with the support of a dedicated Trainer/Assessor and a Workplace Supervisor, working in tandem to orchestrate a seamless training and assessment experience. Regular check-ins with your assigned Trainer/Assessor ensure you're not just meeting, but surpassing assessment expectations, propelling you forward on your path to progress.
